

# COMPUTER & INTERNET USE AGREEMENT

CCI desires that you allow the student use of a computer and internet account the purposes of checking email communications and research purposes, however we understand that as parents, you are free to set guidelines toward that use.

## STUDENTS:

1. Use of the Computer and the Internet will be for appropriate educational and entertainment uses including research and the exchange of information.
2. I will ask permission before accessing the internet to be sure it is an appropriate time to block the telephone lines to the home.
3. I will only remain on the Internet the amount of time specified.
4. I will NOT access pornographic or obscene material. If efforts have been made to block access of obscene or pornographic material on the computer network, I will not attempt to circumvent these efforts. I understand that if I do this, I may lose Computer privileges.
5. Using email to send material that might offend or be objectionable to anyone is prohibited.
6. I will never try to improperly access, misappropriate, or misuse files, data, or information belonging to other users. In addition, I will NOT download any file without permission.
7. This policy may be amended by the host family to include further restrictions in order to meet any special circumstances which may occur.

I have read and discussed the above policy and agree to abide by its rules. I understand that breaking the rules of this agreement will result in the loss of all privileges that I have to use the Computer and Access the Internet.
